DEGUT 2024 — GERMANY'S LONGEST-RUNNING TRADE FAIR FOR ENTREPRENEURS AND STARTUPS CELEBRATES ITS 40TH ANNIVERSARY

Save the date for 11th and 12th October 2024, as the German Founders' and Entrepreneurship Days (deGUT) is returning to ARENA Berlin for its 40th year.

As Germany's largest trade fair for entrepreneurship and startups, deGUT offers a comprehensive platform for aspiring entrepreneurs to gain crucial insights for a successful launch and sustainable growth. From 10:00 – 18:00, visitors can explore an extensive programme of seminars and workshops covering essential topics, including business model development, company formation, growth strategies, funding, marketing, design, legal issues, and taxation.

This year's deGUT features a diverse range of exhibitors and advisors ready to share their expertise. In the Advisor Forum, founders have the unique opportunity to engage directly with experts and gain exclusive business insights. The fair also offers guided tours in various languages.

In our Start-up ARENA 2024, we showcase inspiring startup stories and provide emerging entrepreneurs with the opportunity to pitch their innovative ideas to a large audience.

Don't miss out on securing your ticket! Build valuable connections with investors, mentors, and fellow entrepreneurs in the exhibition and advisory areas. Now you can also utilise our new Match & Meet feature to network effectively. Gather valuable input for your ideas, startup, or business!
